

**Procurement Consultants**  
**Supply Chain Consultants**  
**Change Management - Transformation**  
**Global Executive Search - Headhunting**

With more than 20 years experience in procurement and supply chain consultancy, interim management and executive search we offer our clients best in class procurement consultants, supply chain consultants, managers, directors, category managers or senior buyers for any global assignment in Procurement.

Due to the background of the owner of Procurementnetwork as a procurement change manager and the high quality of our consultants, we are able to assist our customers with the most complex procurement and supply chain transformation projects.

When you just need temporary assistance from a highly experienced interim procurement consultant or supply chain consultant, or need assistance with headhunting of the best matching executives, we are also the perfect global partner for you as we have build up the largest global network of world class procurement consultants, supply chain consultants and executives.

We have experience in more than 12 countries and we assisted many clients in various industries in The Netherlands, Belgium, Germany, UK, Spain, Switzerland, China, Singapore, Brazil, Argentine, Saudi Arabia, UAE and many more.
